IN THE COUNTY COURT OF LANCASTER COUNTY, NEBRASKA

STATE OF NEBRASKA)
) ss. AFFIDAVIT FOR SEARCH WARRANT
COUNTY OF LANCASTER)

Joseph Villamonte, being first duly sworn upon oath deposes and states that he is an Investigator for the Lincoln Police Department, Lincoln, Lancaster County, Nebraska. AFFIANT states he is currently involved in the investigation of a POSS FIREARM WITH FELONY 2 DRUG VIOLATION occurring on 01-26-2024, at 4010 D Street, Lincoln, Lancaster County Nebraska. AFFIANT has reviewed case reports regarding this investigation prepared by other involved Law Enforcement Officers.

Affiant's Background

Your Affiant has been a police officer for the Lincoln Police Department since 2012. Since 2012 Affiant has been investigating misdemeanor and felony crimes with the Lincoln Police Department to include homicide, burglary, robbery, assault, weapon offences, narcotics, sexual assault, human trafficking, child enticement, and pornography. Your Affiant has training and experience in conducting criminal investigations.

This Affidavit is submitted in support of a search warrant. Since this Affidavit is being submitted for the limited purpose of securing a search warrant, your Affiant not set forth every fact known to me regarding this investigation. The statements contained in this Affidavit are based in part on the investigation that your Affiant has conducted, and information provided to your Affiant by other law enforcement officers verbally, and through written reports.

Case Facts

Beginning in 2022, Lincoln Police Investigators, including your Affiant, began conducting social media surveillance on Alijah Zlomke's (DOB 09-15-2005) known social media accounts, including Snapchat account 'steppa2e', to uncover potential criminal activity involving firearms and narcotics. While conducting surveillance on the accounts, investigators were able to verify the accounts belonged to Zlomke based on the numerous selfie style videos and photographs Zlomke would share. The following is evidence of illegal activity discovered during surveillance:

On 09-08-2022, your Affiant observed Zlomke post a photograph to his Snapchat account of a portion of a handgun with the caption of 'Keep a tooli or get shot like a

movie'. This post appears to show Zlomke is showing anyone viewing the post that he keeps a firearm on or around him for protection.

On 12-27-2023, your Affiant observed Zlomke post a photograph to his Instagram account with the caption of 'QPS FOR 350??', 'pull up only' with several cell phone emoji's. Your Affiant knows through extensive investigative experience involving narcotic sales over social media that 'QP' is a quarter pound of marijuana and '350' is a price for the marijuana. Your Affiant knows that 'pull ups only' means you have to come to Zlomke to purchase the marijuana and contact him by cell phone, hence the cell phone emoji's.

On 01-10-2024, your Affiant observed an unknown Snapchat user share a photograph of Zlomke holding a handgun while sitting on the deck of 910 Lamplighter Lane with Zlomke's Snapchat username tagged in the post as well as multiple gas pump emoji's and cell phone emoji's indicating to contact Zlomke via Snapchat to purchase 'gas', or high grade marijuana which your Affiant has observed the term used during numerous prior investigations involving the sale of controlled substances.

On 01-10-2024, your Affiant observed Zlomke post a photograph to his Snapchat account of him holding a shotgun and cash with the caption of 'Focused and different from last time dis da boss shi', and 'Not in traffic til later dhmu'. Several other firearms can be observed in the photograph including a handgun and a rifle.

On 01-10-2024, your Affiant observed Zlomke post a photograph to his Snapchat account of a portion of a handgun tucked into his waistband with an extended magazine and the caption of 'Once my snap organized, I'll b in traffic if you not from Lincoln or not shopping unadd me'. Your Affiant knows that referring to being in 'traffic' is to be mobile selling-controlled substances. Your Affiant knows the term 'shopping' is referring to people viewing Zlomke's advertisements with the intention of purchasing from him.

On 01-10-2024, your Affiant observed Zlomke post two photographs to his Snapchat account with the captions of 'In traffic' and 'Gas only', indicating he was mobile selling high grade marijuana.

On 01-10-2024, Zlomke sent your Affiant 8 direct messages on Snapchat advertising marijuana and THC products for sale, as well as indicated to contact him via cell phone for the purchased of the controlled substances.

On 01-14-2024, your Affiant observed Zlomke to post several videos to his Instagram account that depicted him shooting a black shotgun at an unknown location, and for someone (possibly Zlomke) shooting the same shotgun outside of the passenger side of a moving vehicle. During these videos, your Affiant observed lighting consistent with an urban area in the background of the video.

On 01-16-2024, your Affiant observed Zlomke post a photograph to his Snapchat account of money with the caption of 'in traffic gas only' with cell phone emoji's.

On 01-18-2024, your Affiant observed Zlomke post a photograph to his Instagram account holding a black shotgun outside of 910 Lamplighter Lane. This shotgun is

consistent with the shotgun depicted in the videos from 01-14-2024. Lincoln Police Investigator Meyer #1716 confirmed the location of the photograph using google images of the property, and your Affiant confirmed the location during physical surveillance.

On 01-19-2024, your Affiant observed Zlomke post a video to his Instagram account of marijuana.

On 01-20-2024, your Affiant observed Zlomke post a photograph of him operating a vehicle with the caption of 'In traffic all night with two cell phone emoji's. This post signifies that Zlomke uses his motor vehicle to aid in the transport and sale of controlled substances.

On 01-20-2024, your Affiant observed Zlomke post a photograph to his Snapchat account with the caption of '150 Os', which is a common price for an ounce of marijuana which is known to be referred to as an 'O' based on prior investigations.

On 01-22-2024, your Affiant observed Zlomke post a photograph to his Snapchat account with the caption of 'Tapn' and cell phone emoji's. Your Affiant observed an additional post with the caption of 'Errybody out here getting likked like we ain't got P's to move come get righ movin weight fr' with cell phone emoji's and 'Gas only'. Your Affiant knows that 'P's' is a ter used for pounds of marijuana.

On 01-23-2024, your Affiant observed Zlomke post a video to his known Instagram account with the caption of 'All day' and cell phone emoji's. Your Affiant observed Zlomke to be driving his 1994 Buick Century that is registered to him in the video.

On 01-24-2024, your Affiant observed Zlomke post a video to his Instagram account of him and two additional people seated in what appears to be his vehicle smoking marijuana blunts. During the video Zlomke displays the black shotgun which was covered by a pink blanket or towel. Your Affiant then observed an additional video of Zlomke driving his vehicle, displaying currency with two cell phone emoji's indicating he was mobile and wanted people to contact him via cell phone for the purchase of controlled substances.

On 01-24-2024, your Affiant obtained a residential search warrant for Zlomke's residence at 4010 D Street and his parent's residence at 910 Lamplighter Lane. On 01-26-2024, your Affiant and other Lincoln Police Investigators detained Zlomke out of his vehicle at 4010 D Street prior to serving the search warrants. Zlomke admitted he had a 'legal firearm' in the vehicle he was arrested out of. He was found to have two separate bags of marijuana weighing .8 grams and 1.3 grams as well as \$860 of U.S. currency in various denominations on his person. Your Affiant knows through experience that persons involved in the sale of controlled substances commonly possess large sums of currency. Investigators located a loaded shotgun concealed next to the front driver's seat of Zlomke's vehicle. Your Affiant knows through investigative experience that persons involved in the sale of controlled substances commonly possess firearms to protect themselves from robbery of their product and proceeds from the sale. Investigators

located additional marijuana inside Zlomke's room at 4010 D Street along with a digital scale used to portion the marijuana during sales. Zlomke was cited and lodged at the Lancaster County Jail for narcotics and firearm felony offenses.

Account Preservation

A Preservation Request was served on **01-26-2024** for account user name '**steppa2e**' via email to Snapchat, Inc. Snapchat responded with a confirmation email and assigned the preserved data with Snapchat case number **8A3BAFEB02** Snapchat will preserve the data for a period of 90 days and will extend the preservation upon request.

Snapchat Specific Facts

Your AFFIANT knows through their own experiences and those of other Law Enforcement Officers that Snap, Inc. owns and operates a free-access social networking, electronic commerce, and cloud services application(s) of the same name that can be accessed using the Snapchat mobile application(s). Snapchat allows its users to establish accounts with Snapchat, and users can then use their accounts to post "Snaps", "Stories", "Memories", and send and receive "Chats".

"Snaps" are when a user takes a photo or video using their camera phone in real-time and then selects which of their friends to send the message to. Unless the sender or recipient opts to save the photo or video, the message will be deleted from their devices (after the content is sent in the case of the sender and after it's opened in the case of the recipient). Users are able to save a photo or video they've taken locally to their device or to Memories, which is Snapchat's cloud-storage service.

"Stories" are when a user adds photo or video Snaps to their "Story." Depending on the user's privacy settings, the photos and videos added to a Story can be viewed by either all "Snapchatters" or just the user's friends for up to 24 hours. Stories can also be saved in "Memories".

"Memories" is Snapchat's cloud-storage service. Users can save their sent or unsent Snaps, posted Stories, and photos and videos from their phone's photo gallery in Memories. A user can also edit and send Snaps and create Stories from these Memories. Snaps, Stories, and other photos and videos saved in Memories are backed up by us and may remain in Memories until deleted by the user.

Using “Chat” a user can type messages, send photos, videos, audio notes, and video notes to friends within the Snapchat app using the Chat feature. A user sends a Chat message to a friend, and once it is viewed by both parties – and both parties swipe away from the Chat screen – the message will be cleared. Within the Snapchat app itself, a user can opt to save part of the Chat by tapping on the message that they want to keep. The user can clear the message by tapping it again.

“Voice” A user can also make voice and video chats using the Snapchat platform. Video chats can be one-on-one or with a group. Snap chat retains records of these contacts but does not retain content.

“Location” Snapchat users can also share their Live Location with select contacts or all of their friends. This option doesn’t include people who’ve added the user as a friend, but who the user hasn’t added back. Live Location data is shared with the chosen friends even while a user is in Ghost Mode. Users can opt out of Live Location at any time without prompting a notification to your friends. When Live Location sharing is enabled, the device’s precise location data is collected and shared with the selected friends even when the user has the Snapchat app closed.

“AI” Snapchat has added an AI feature. My AI is a chatbot currently available to Snapchatters. In a chat conversation, My AI can answer trivia questions, offer advice, help plan a trip, or make other suggestions. My AI is powered by OpenAI’s ChatGPT technology, with additional safety enhancements and controls unique to Snapchat.

Your AFFIANT is aware through research, documentation, prior training and experience, and/or the experience of other investigators that Snapchat collects and stores personally identifying information on their users. This information consists of user supplied information that can be used to identify the user and/or account creator of a Snapchat account.

meta-data about the Snaps, Stories, and Chats, but not the content. Your AFFIANT knows in certain limited circumstances it may be possible for us to retrieve the content of sent Snaps. Story content may be available for up to 24 hours, or until deleted by a user. Your AFFIANT knows Memories content may be available until deleted by a user.

Machine Cookies

Snap Inc. also uses “cookies” to store and receive identifiers and other information on computers, phones, and other devices.
