DOB 11-04-1995,

AFFIDAVIT FOR  
ORDER TO PRODUCE IDENTIFYING  
PHYSICAL CHARACTERISTICS

COMES NOW, Investigator Kevin Meyer of the Lincoln Police Department, being first duly sworn upon oath, deposes and states as follows:

1. Your AFFIANT was assigned to investigate the crime of Possession of a Firearm with a Felony 2 Drug Violation - 28-416(16) that occurred in the city of Lincoln, Lancaster County, Nebraska.

2. Your AFFIANT has reviewed reports of other peace officers involved in the investigation of Possession of a Firearm with a Felony 2 Drug Violation - 28-416(16) and has conducted additional follow up into the investigation of the incident. According to the information that your AFFIANT obtained:

Beginning in April 2023, Lincoln Police Investigators began to conduct surveillance on the occupants of 1900 Knox Street #24, Lincoln, NE regarding controlled substances being sold from the residence. Investigators learned that Fredtadrick Kennedy (male, DOB 11-04-1995) resided at the residence. Investigators observed Kennedy coming and going from the apartment on multiple occasions. In addition, LES utilities for the apartment were confirmed to be in Kennedy's name.

The Lincoln Police Department Narcotics Task Force investigated a narcotics overdose case occurring in Lincoln, NE. The victim reported they purchased opioid pills from Anthony Gilmore (male, DOB 01-20-1976) and Gilmore's source for those pills was his cousin, Kennedy. The victim later

identified Kennedy from a photograph provided by Investigator Dalton. The victim then began purchasing opioid pills directly from Kennedy (documented in case C3-044565). Between May 30, 2023 and June 7, 2023 an undercover Lincoln Police Department officer purchased opioid pills from Gilmore. On one occasion Gilmore told the officer he was waiting for his 'cuz' to bring the pills to Gilmore. A silver Ford Fusion WLW792 arrived, being driven by a party matching Kennedy's description. The vehicle is registered to Latikka Moore (female, DOB 06-01-1992), a known associate of Kennedy. Gilmore took officer's \$120 and briefly met with the driver of the Fusion. Gilmore then delivered 5 Oxycodone Hydrochloride pills to the undercover officer.

During the next delivery, the undercover officer met with Gilmore and gave him \$160. The Ford Fusion arrived and was being driven by the same individual as the previous delivery. Gilmore briefly got into the Fusion, then delivered 5 Oxycodone Hydrochloride pills and 2 Acetaminophen and Hydrocodone Hydrochloride to the undercover officer.

During the next delivery, the undercover officer ordered pills from Gilmore. Gilmore told the officer to come meet him and that his source was also enroute to the meeting. Investigators identified Kennedy leaving his residence of 1900 Knox St. #24 in the Ford Fusion and meeting with Gilmore and the undercover officer. Gilmore delivered 5 Oxycodone Hydrochloride pills and 8 Acetaminophen and Oxycodone Hydrochloride pills to the undercover officer for \$220.

Investigators observed Kennedy to advertise THC products for sale on social media that are not legal in Nebraska. The social media account has been verified as belonging to Kennedy by Investigator Villamonte.

On 06-13-2023, Investigators served a Lancaster County search warrant at the residence of 1900 Knox St. #24 for narcotics and firearms. Investigators located 3 Live Resin Jeeter Juice THC products, a loaded black Glock 9mm handgun with an extended magazine, \$320 dollars/U.S. Currency, digital scales, 87+grams of marijuana, and 9 blue pills marked 'M30' suspected to be Oxycodone Hydrochloride in and around a black dresser in the master bedroom of the apartment. In this location was a Caesars reward card with Kennedy's name

on it. The THC products were the same products Kennedy was advertising for sale on his social media account being monitored by Investigator Villamonte on the same date. The pills matched the description of those purchased by the undercover police officer on the previous buys.

Investigators know through extensive investigative experience that firearms, currency, and controlled substances are commonly possessed together during a drug sales operation with the firearm being a means to protect profits and product from theft.

A warrant was issued for Kennedy's arrest pertaining to the aforementioned investigation. Kennedy was located in the City of Lincoln on 07-14-2023 and arrested. Kennedy declined to participate in a Miranda interview or speak with Investigators.

On 02-20-2024, your AFFIANT contacted Kennedy at 10<sup>th</sup> Street and South Street, Lincoln, Lancaster County, Nebraska and asked for his consent to voluntarily provide a sample of his DNA. Kennedy denied consent but stated he would be cooperative with providing his DNA once a DNA order was issued

3. Your AFFIANT knows that buccal DNA swabs are a way of producing non-testimonial identification evidence regarding the person responsible for the Possession of a Firearm with a Felony 2 Drug Violation - 28-416(16) described herein. The identifying physical characteristics sought from Fredtadrick Kennedy is a sample of his DNA in the form of DNA buccal swabs. The procurement of these identifying physical characteristics is likely to contribute evidence to the further identification of Fredtadrick Kennedy as being the person responsible for the Possession of a Firearm with a Felony 2 Drug Violation - 28-416(16) herein.

The identifying physical characteristics sought can be obtained from Fredtadrick Kennedy in the city of Lincoln, Lancaster County, Nebraska and should require a detention not to exceed one (1) hour.

AFFIANT further states that there is probable cause to believe that Fredtadrick Kennedy is responsible for Possession of a Firearm with a Felony 2 Drug Violation - 28-416(16) as described herein, and in violation of the laws of

the State of Nebraska.

Further your affiant saith not.

DATED this 19<sup>th</sup> day of March, 2024.
