JUDGE

Sgt. Ferguson engaged Savage in casual conversation regarding events prior to their contact. Savage stated he and Perkins were driving back home from Kansas City where they had been shopping that day. Savage was asked about the odor of marijuana coming from the vehicle, which Savage indicated he possessed a personal use quantity of marijuana in the vehicle. Sgt. Ferguson returned to the vehicle and asked Perkins about the marijuana. Perkins produced a plastic bag containing marijuana, to Sgt. Ferguson. Perkins stated she and Savage had smoked from this bag of marijuana in Kansas City before driving back to Lincoln.

Sgt. Ferguson conducted a probable cause search of the vehicle. He opened the glove box, observed a loaded Ruger LCTR .380 handgun, S/N 372397604. A check of the firearm was run by Nebraska State Patrol Dispatchers who advised the firearm had been entered as stolen by the Sedalia Police Department in Sedalia, Missouri, on August 8, 2023. Sgt. Ferguson asked both Savage and Perkins about the gun individually. Savage denied ownership of the gun while Perkins stated she had no knowledge that the gun was in the vehicle.

At 1813 hours, Sgt. Ferguson asked Savage if he was aware the firearm was stolen, at which point Savage opened the passenger door on the marked patrol unit and fled on foot from the scene, leaving Perkins, his vehicle, and all his possessions within the vehicle behind. A search for Savage was conducted, however he was not located.

On November 28, 2023, the stolen Ruger LCTR .380 handgun, S/N 372397604 was submitted to the Nebraska State Patrol Laboratory to process the firearm for latent print identification, DNA identification, and NIBIN testing. Savage fled the scene of the traffic stop and was not been located by law enforcement, thus making it impossible for law enforcement to obtain a voluntary sample of Savage's DNA for evidence.

On June 13, 2024, at approximately 0800 hours, members of the Metro Fugitive Taskforce made contact with Savage at the residence of 3306 NW. Michael Street, Lincoln, Lancaster, County. Savage contacted and placed in custody for an active arrest warrant related to the above-listed contact with law enforcement on November 18, 2023. Savage was transported and lodged at Lancaster County Jail, 3801 W. O Street, Lincoln, Lancaster, Nebraska.

Your Affiant knows that buccal DNA swabs are a way of producing non-testimonial identification evidence regarding the person responsible for the offense of possession of a firearm by a prohibited person described herein. The identifying

physical characteristics sought from Teneric L. Savage is a sample of his DNA in the form of DNA buccal swabs.

Your Affiant has determined that the individual from whom physical characteristics are to be collected is described as follows: Teneric Latrell Savage (DOB 07/09/1988), of 1919 Washington Street Apt. 1, Lincoln, Lancaster County, NE 68502, Nebraska driver's license Number H13088146, a black male, 5'09" in height, weighing 170 LBS, with brown eyes and black hair.

On June 13, 2024, at 1443 hours, your Affiant contacted Savage at the Lancaster County Jail, 3801 W. O Street, Lincoln, Lancaster, Nebraska, to request he voluntarily consent to provide the desired evidence of Identifying Physical Characteristics. Savage declined consent and refused to provide the desired evidence of Identifying Physical Characteristics. Your Affiant request that this court order allow for the collection of DNA in the form of DNA buccal swabs from Teneric L. Savage (DOB: 07/09/1988) by any means necessary.

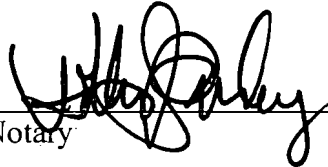

1. Your Affiant requests the Court's permission to collect the following evidence items or identifiable information from Teneric Latrell Savage, at the Lancaster County Jail, 3801 W. O Street, Lincoln, Lancaster, Nebraska, and should require detention not to exceed one (1) hour:
 - a. A sample of his DNA in the form of DNA buccal swabs.
2. Your Affiant believes through training and experience that the procurement of identifying physical characteristics through nontestimonial identification procedures as described above will aid in the analysis and comparison, which is likely to contribute to the identification of the individual(s) who committed the offense of possession of a firearm by a prohibited person.

Further Affiant saith not.
