COMES NOW: Officer Ryan Lawrence #1825 with the Lincoln Police Department, being first duly sworn upon oath, deposes and states as follows:

1. Your AFFIANT is a full-time certified law enforcement official in the State of Nebraska. As part of that certification, your AFFIANT received instruction on driving under the influence investigations, including, but not limited to: intoxicated persons' driving behavior; physical signs of intoxication; administration of Standardized Field Sobriety Tests, including the horizontal gaze nystagmus, walk and turn, one leg stand, and wet labs; and administering preliminary breath tests.
2. Your AFFIANT was off-duty when he received a phone call from the Lincoln Police Department duty commander requesting his assistance as a Certified Drug Recognition Expert reference a motor vehicle crash resulting in a fatality on 6-8-2024 at approximately 1556 hours and during that time, your AFFIANT contacted the suspect, Deeanna P Deets, whose date of birth is 07-16-1983 Your AFFIANT believes that probable cause exists to believe that said suspect was operating or in the actual physical control of a motor vehicle on a public highway or private property open to public access while under the influence of alcohol and/or drugs for the following reason(s): On 6-8-2024 at approximately 1503 hours, officers

from the Lincoln Police Department Southeast Team were dispatched to a motor vehicle crash near the intersection of S 84th St and Glynoaks Dr. Officers determined that Deets was traveling south on S 84th St operating a red 2013 Ford Taurus NE#YIW099 when she crossed the median just south of the intersection of S 84th ST and Augusta Dr. After crossing the median, Deets struck a gray 2019 Honda HR-V NE#YZC850 head on. The driver of this vehicle was pronounced deceased at the scene of the crash by Lincoln Fire and Rescue. The passenger of this vehicle is currently at Bryan West Hospital in critical life-threatening condition. Deets also struck a gray 2013 Honda CR-V NE#ARH344 head on causing minor injuries to the driver. Deets also had a passenger in her vehicle who is at St Elizabeth Hospital with minor injuries.

3. Upon contact, your AFFIANT was informed by Officer Ryan Duncan #1644 that Deets admitted to consuming alcohol prior to driving and using unspecified drugs to medical staff at Bryan West Hospital. Your AFFIANT then spoke with Officer Grinstead #1936 who was the first officer on scene. Grinstead said that he noticed a heavy smell of an alcoholic beverage coming from Deets's motor vehicle. Grinstead said that Deets was in the driver's seat of the motor vehicle and was unresponsive on scene. Grinstead also mentioned that he was able to speak with the passenger who appeared to be heavily intoxicated, and admitted to drinking alcohol, but was unable to recall any further details. Your Affiant spoke to Inv Rennerfeldt #1563 who responded to the scene as a part of the accident reconstruction team. Rennerfeldt stated that he observed an empty bottle of Corona brand beer, and a partially consumed bottle of unknown brand Vodka on the driver's side floorboard.

4. Your AFFIANT Did not administer field sobriety tests for the following reason(s): Deets is laying supine in a hospital bed with multiple broken ribs and a broken femur and is at times is unresponsive to my questions.
5. Your AFFIANT:Administered a preliminary breath test and said suspect had a result of a .186 on a partial sample.
6. Your AFFIANT believes that the suspect was under the influence of alcohol and/or drugs at the time he/she was operating or in actual physical control of a motor vehicle.
7. Your AFFIANT is now seeking a search warrant for the procurement of a blood sample and to authorize a qualified individual, as identified by Neb. Rev. Stat. § 60-6,201, to withdraw a sample(s) of said suspect's blood pursuant to Nebraska law for purposes of formal chemical testing of his/her blood to determine the concentration of alcohol and/or drugs.
8. Your AFFIANT believes, or has reason to believe, that the suspect will refuse, has refused, or will be unable to voluntarily provide a sample his or her blood for the following reasons: Deets was read the blood draw consent form and refused to consent to a blood draw.
9. Your AFFIANT requests permission to detain the suspect, if necessary, for a period not to exceed five (5) hours, and to use reasonable force under the circumstances, in order to accomplish the authorized purposes of the warrant.
10. Your AFFIANT knows Deeanna P Deets is currently located at **Bryan Medical Center West Campus located at 2300 S. 16th Street, Lincoln, Lancaster County, Nebraska And is under the supervision of medical staff and/or law enforcement.

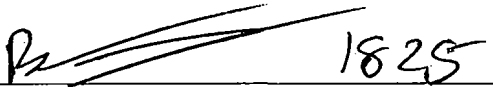

Your AFFIANT requests permission to serve this warrant at **Bryan Medical Center West Campus located at 2300 S. 16th Street, Lincoln, Lancaster County, Nebraska , or wherever the suspect may be found.

11. Your AFFIANT states that the public interest requires that the requested warrant be served at any time and as expeditiously as possible for the reason that the human body constantly metabolizes alcohol and/or drugs and evidence of the crime will be destroyed with any delay in the sample collection process.

Your AFFIANT says that all the information contained in this Affidavit occurred in Lancaster County, Nebraska.

Further your AFFIANT saith not.

Dated this 8th day of June, 2024.
