) ss. AFFIDAVIT FOR SEARCH WARRANT

COUNTY OF LANCASTER )

Derek Dittman, a certified law enforcement officer for the Lincoln Police Department, being first duly sworn upon oath deposes and states that your Affiant is currently involved in the investigation of Visual Depiction of Sexually Explicit Conduct, Nebraska Statute 28-1463.03, occurring on February 17, 2024, at 2451 N. 9<sup>th</sup> St., Lincoln, Lancaster County, Nebraska.

**Affiant’s Background**

Your Affiant has been a law enforcement officer since 2005. Your Affiant has received basic academy training and additional training through the Lincoln Police Department. Affiant has experience in conducting criminal investigations including misdemeanor and felony offenses.

This Affidavit is being submitted for the limited purpose of securing a search warrant. Your Affiant has not set forth every fact known regarding this investigation. The facts contained in this Affidavit are based in part on the investigation that your Affiant has conducted or information provided to your Affiant by other law enforcement officers.

**Case Facts**

On February 17, 2024, Lincoln Police Officer Vest took a report from Jennifer Angell and her 17 year old minor child, referred to as E.A., about explicit images and a video that was sent to Jennifer via Facebook from the account of “Erica Milany.” These explicit images and video were of E.A. performing sexual acts and displaying her intimate parts. Jennifer was notified by E.A.’s father, Eric Angell, that he had also received explicit material from this Facebook account.

E.A. told Officer Vest she had moved to Lincoln, NE in May 2019, and had created a new Snapchat account, “emilyangell2023.” Prior to moving, she had another Snapchat account, “emily\_angell19,” but did not use that account after she moved. Approximately one year after moving to Lincoln, NE, E.A. stated she started receiving messages from her old Snapchat account. Over time, the user of the old account told E.A. they would send explicit images of her to her family, if she did not send them more explicit images of herself. E.A. stated she likely had explicit images saved to her old Snapchat account, and

the user would have had access to them. E.A. and Jennifer did not have a suspect at the time of making the original report.

On February 20, 2024, your Affiant sent preservation requests to Facebook for the account “Erica Milany” (<https://www.facebook.com/profile.php?id=61556436362982>) and was provided case #8462166.

A subpoena was sent to Meta, Inc., and the results returned phone number 785-639-3880 was provided to Facebook for the account Erica Milany,” and the number was used to respond to a text sent to the number. This phone number was found to be owned by Nex-Tech Wireless. The Facebook account “Erica Milany” was created on February 15, 2024 at 0500 hours UTC.

On April 10, 2024, your Affiant interviewed E.A. about this investigation. E.A. provided similar details as reported by Officer Vest. In addition, E.A. stated she had a sexual relationship with Josiah when she was 12-13 years old, and he was approximately 18 years old. Their relationship lasted from 2018 to 2019, about the time she moved to Lincoln, NE. In the interview, E.A. stated she had sent approximately 12-15 more images to her old Snapchat account, out of fear, due to the account user’s threat of sending other images to her family. E.A. said she had periodically exchanged messages with this account until April 9, 2024, when the user blocked her account.

On April 30, 2024, your Affiant received a response to a search warrant that was served to Meta Platforms. The Facebook account “Erica Milany” was found to have sent sexually explicit images and videos of E.A. to multiple accounts on February 17, 2024 and February 18, 2024. The accounts utilized Nex-Tech Wireless owned IP addresses to transmit these images. A search warrant to produce records for the account associated with these IP addresses yielded no results as the company was unable to connect individuals or devices to IPv4 addresses.
