STATE OF NEBRASKA)
) ss. AFFIDAVIT FOR SEARCH WARRANT
COUNTY OF LANCASTER)

Derek Dittman, a certified law enforcement officer for the Lincoln Police Department, being first duly sworn upon oath deposes and states that your Affiant is currently involved in the investigation of Visual Depiction of Sexually Explicit Conduct, Nebraska Statute 28-1463.03, occurring on February 17, 2024, at 2451 N. 9th St., Lincoln, Lancaster County, Nebraska.

Affiant’s Background

Your Affiant has been a law enforcement officer since 2005. Your Affiant has received basic academy training and additional training through the Lincoln Police Department. Affiant has experience in conducting criminal investigations including misdemeanor and felony offenses.

This Affidavit is being submitted for the limited purpose of securing a search warrant. Your Affiant has not set forth every fact known regarding this investigation. The facts contained in this Affidavit are based in part on the investigation that your Affiant has conducted or information provided to your Affiant by other law enforcement officers.

Case Facts

On February 17, 2024, Lincoln Police Officer Vest took a report from Jennifer Angell and her 17 year old minor child, referred to as E.A., about explicit images and a video that was sent to Jennifer via Facebook from the account of “Erika Milany.” These explicit images and video were of E.A. performing sexual acts and displaying her intimate parts. Jennifer was notified by E.A.’s father, Eric Angell, that he had also received explicit material from this Facebook account.

E.A. told Officer Vest she had moved to Lincoln, NE in May 2019, and had created a new Snapchat account, “emilyangell2023.” Prior to moving, she had another Snapchat account, “emily_angell19,” but did not use that account after she moved. Approximately one year after moving to Lincoln, NE, E.A. stated she started receiving messages from her old Snapchat account. Over time, the user of the old account told E.A. they would send explicit images of her to her family, if she did not send them more explicit images of

herself. E.A. stated she likely had explicit images saved to her old Snapchat account, and the user would have had access to them. E.A. and Jennifer did not have a suspect at the time of making the original report.

On February 20, 2024, your Affiant sent preservation requests to Facebook for the account "Erica Milany" (<https://www.facebook.com/profile.php?id=61556436362982>) and was provided case #8462166. Your Affiant also sent a preservation request to Snap, Inc. for "emilyangell2023" and "emily_angell19" and was provided case ID #cba7db3541.

A subpoena was sent to Meta, Inc., and the results returned a phone number that was found to belong to Josiah Grizzle in Hays, KS.

On April 10, 2024, your Affiant interviewed E.A. about this investigation. E.A. provided similar details as reported by Officer Vest. In addition, E.A. stated she had a sexual relationship with Josiah when she was 12-13 years old, and he was approximately 18 years old. Their relationship lasted from 2018 to 2019, about the time she moved to Lincoln, NE. In the interview, E.A. stated she had sent approximately 12-15 more images to her old account, out of fear, due to the account user's threat of sending other images to her family. E.A. said she had periodically exchanged messages with this account until April 9, 2024, when the user blocked her account.

On April 29, 2024, and April 30, 2024, your Affiant received responses to search warrants that were served to Snap, Inc. and Meta Platforms. The information provided in the warrant returns indicated several IP addresses were utilized when the user accessed the social media accounts "Erica Milany" and "emily_angell19." These accounts were found to have sent sexually explicit images and videos of E.A. to multiple accounts. The accounts utilized the following Nex-Tech Wireless owned IP addresses to transmit these images.

199.66.120.76 during a Snapchat session on 2/15/2024 between 0442 hours to 1357 hours UTC

199.66.121.253 during a Facebook session on 2/17/2024 between 1619 hours to 2005 hours UTC

Upon further review of these records, these two IP addresses were utilized in additional sessions when the accounts were accessed. Your Affiant requests records for the entire duration when the accounts were accessed with these IP addresses to reflect the continual access of the accounts utilizing the same device or account attached to the service provider.

Property to be Searched and Seized

Your Affiant requests the court issue a search warrant to Nex-Tech Wireless, 3001 New Way, Hays, KS 67601, for records associated with the following IP addresses:

199.66.120.76 between 2/15/2024 0201 hours UTC to 1810 hours UTC

199.66.121.253 between 2/17/2024 0700 hours UTC to 2/18/24 0330 UTC

Your Affiant requests the court to require Nex-Tech Wireless to produce records, regardless of whether such information is located within or outside of the United States.

Your Affiant states this is an ongoing investigation, and that any disclosure of the requested search warrant would impede the investigation or otherwise cause an adverse result, as defined by Neb. Rev. Stat. 86-2,108. Your Affiant requests the court order Nex-Tech Wireless to NOT disclose the existence of the search warrant for a period of 90 days.

Your Affiant requests the court order Nex-Tech Wireless to produce the following records:

1. Basic account information such as name, address, email address, telephone number, length of service, types of services utilized, user account names, remote data storage accounts, credit card number or other payment methods, physical addresses, or two-step verification information.
2. Device(s) make, model, and International Mobile Equipment Identity (IMEI) or Mobile Equipment Identifier (MEID) of associated devices, connected applications, and account activity, utilizing the IP addresses.

Your Affiant requests the court order Nex-Tech Wireless to send the information electronically via email to lpd1551@cjis.lincoln.ne.gov, through other acceptable electronic means, or mail to Derek Dittman at the Lincoln Police Department, 575 South 10th Street, Lincoln NE 68508.

In the event records are not received from Nex-Tech Wireless within ten (10) days, your Affiant requests authorization to return the search warrant within ten (10) days of receipt of the records.
